### **Cautionary Statement Regarding Forward-Looking Statements**

This press release contains forward-looking statements that involve substantial risks and uncertainties. All statements, other than statements of historical facts, included in this press release regarding our strategy, future operations, future financial position, future revenue, projected costs, prospects, plans and objectives of management are forward-looking statements. The words "anticipate," "believe," "estimate," "expect," "intend," "may," "plan," "would," "target" and similar expressions are intended to identify forward-looking statements, although not all forward-looking statements contain these identifying words. We may not actually achieve the expectations disclosed in our forward-looking statements, and you should not place undue reliance on our forward-looking statements. Actual results or events could differ materially from the expectations disclosed in the forward-looking statements we make. More information about potential factors that could affect our business and financial results is contained in our filings with the Securities and Exchange Commission. Additional information will also be set forth in our future quarterly reports on Form 10-Q, annual reports on Form 10-K and other filings that we make with the Securities and Exchange Commission. We do not intend, and undertake no duty, to release publicly any updates or revisions to any forward-looking statements contained herein.
